NOTE: All Dairies under Contract Number [03PSX0297](#) are now loaded into PeopleSoft. To search for items under this contract, it is probably best to search the description. The description contains the Town, Facility Name, Item Description and Item Packaging. Searching for the Town will get you all items for one or more facilities in that town. Searching for the Facility will get you all items available on the contract for that facility only. This may be the best method of searching if you have questions concerning the ordering of milk or dairy products, contact Jim.Gotta@po.state.ct.us or call (860) 713-5074.
