- (f) **Cancellation:** An end to the Contract effected pursuant to a right which the Contract creates due to a breach.
- (g) **Claims:** All actions, suits, claims, demands, investigations and proceedings of any kind, open, pending or threatened, whether mature, unmaturing, contingent, known or unknown, at law or in equity, in any forum.
- (h) **Conditional Bid:** Bid that substantially limits or modifies any of the terms and conditions, specifications or requirements of the invitation to bid.
- (i) **Contract:** The agreement, as of its effective date, between the Bidder and DOIT for any, or all, Systems, Systems Properties or ALL IP Rights, and any associated services, at the Bid price. The Contract shall include the Invitation to Bid and the Bid.
- (j) **Contractor:** A Bidder who accepts or who is deemed to have accepted a Contract.
- (k) **Contractor Parties:** A Contractor's members, directors, officers, shareholders, partners, managers, principal officers, representatives, agents, servants, consultants, employees or any one of them or any other person or entity with whom the Contractor is in privity of oral or written contract and the Contractor intends for such other person or entity to perform under the Contract in any capacity.
- (l) **Business Day:** Unless otherwise specifically noted, all calendar days other than Saturdays, Sundays and days designated as national or State of Connecticut holidays.

- (m) **Expiration:** An end to the Contract due to the completion in full of the mutual performances of the parties or due to the Contract's term being completed.
 - (n) **Information Systems:** As defined in Title 4d, Chapter 61 of the Connecticut General Statutes, and as it may be modified, the combination of data processing hardware and software in the collection, processing and distribution of data to and from interactive computer-based systems to meet informational needs.
 - (o) **Invitation to Bid:** The document through which DOIT solicits sealed competitive Bids for any, or all, Systems and associated services through particular Specifications. The Invitation to Bid shall include these Terms and Conditions, the Specifications and all such other documents that DOIT deems it to be appropriate to include in the solicitation.
 - (p) **Lowest Responsible Qualified Bidder:** As defined in Title 4a, Chapter 58 of the Connecticut General Statutes, and as it may be modified, the Bidder whose Bid is the lowest of those Bidders possessing the skill, ability and integrity necessary to faithful performance of the work based on objective criteria set forth in the Invitation to Bid and considering past performance and financial responsibility.
 - (q) **Multiple Bids:** More than one Bid submitted in response to the same invitation to bid by the same bidder, whether on a separate bid form or attached to the initial bid form. Such bids are intended to be separate and distinct from each other and are meant to be evaluated as individual bids without reference to any other bid.
 - (r) **Records:** All working papers and such other information and materials as may have been accumulated by the Contractor in performing the Contract, including but not limited to, documents, data, plans, books, computations, drawings, specifications, notes, reports, records, estimates, summaries and correspondence, kept or stored in any form.

 - (w) **Termination:** An end to the Contract effected pursuant to a right which the Contract creates, other than for a breach.
- 2. Bid Submission Process.** Bidders must submit Bids on and in accordance with DOIT forms. DOIT will not accept Telephone or facsimile Bids under any circumstances. The Invitation to Bid sets forth the time and date that DOIT will open Bids. DOIT will not consider Bids arriving after the specified time and date. Bidders must submit Bids in a sealed package to DOIT at such address as the Invitation to Bid specifies. The outside of sealed Bid package must clearly indicate the Invitation to Bid number as well as the date and time of the opening of the Bids. The name and address of the Bidder should appear in the upper left-hand corner of the Bid package. Bids may be submitted for all or any part of total quantities or for any or all agency requirements listed in the Invitation to Bid, unless otherwise specifically indicated.
- 3. Bid Preparation, Content, Execution and Copies.** Bids must include all information required in the Invitation to Bid in order for the Bid to be accepted and not rejected. Failure to provide such information will result in the rejection of the Bid. Bidders must verify the contents of their Bids before submission, as DOIT will not consider amendments to any

Bids after the time specified for the opening of Bids. Bidders must submit one original and one copy of the Bid to DOIT. Bids shall be handwritten in ink, typewritten, or computer prepared. DOIT will reject all Bids prepared in pencil. A person duly authorized to sign Bids on behalf of the Bidder shall sign all Bids. **DOIT shall reject all unsigned Bids. All signatures shall be original signatures**, unless there is specific authorization from DOIT for the use of non-manual forms of signature. The person signing the Bid or his authorized designee shall initial and date all erasures, alterations or corrections on both the original and copy of any documentation submitted to DOIT. Failure to do so may result in rejection of the Bid for those items erased, altered or corrected and not initialed

4. Addenda to Invitation to Bid. If DOIT issues any addendum to the Invitation to Bid, the Bidder should sign it and return it with the Bid or before the Bid opening. In the event that it is not, vendors will still be held to the obligation of whatever change/modification is set forth in the Addendum

5. Conditional Bids. Conditional Bids may be rejected in whole or in part.

6. Alternate and Multiple Bids. Alternate Bids or Multiple Bids may be rejected in whole or in part.

7. No Substitute Specification. Unless limited by the term "no substitute," the use of the name of a manufacturer or of any particular make, model, or brand in describing a System, does not restrict Bidders to that manufacturer or specific System or System Properties. Such use simply and only indicates the character or quality of the System in which the State is interested. The System offered must be of similar character and quality and include any applicable options, accessories, etc. and serve the purpose for which it is to be used equally as well as the one specified. By submitting the Bid, the Bidder so warrants the System. Bids on comparable Systems must clearly state the exact System offered including any and all applicable options, accessories, etc., and the Bidder shall furnish such other information concerning the System as will be helpful in evaluating its acceptability for the purposes intended. If the Bidder does not indicate that the System offered is other than as specified, it will be understood that the Bidder is offering the System exactly as specified.

8. Pricing. Prices must be in decimals, not fractions, net, and shall include transportation and delivery charges fully prepaid by the Contractor, FOB, to the destination specified in the Invitation to Bid. In the event of a discrepancy between the unit price and the extension price, the unit price shall govern. Any discrepancy between the original and the copy of the Bid may result in rejection of the Bids for the System items so affected, except in the event of Bids awarded on a total basis, in which case DOIT shall consider the lower total price in making the award.

9. Tax Exemption. In accordance with section 12-412 of the Connecticut General Statutes, the State is exempt from the payment of excise, transportation and sales taxes imposed by the Federal Government and/or the State. Such taxes must not be included in Bid prices.

10. Bid Opening. DOIT will open and read all Bids publicly, unless otherwise provided by law. Bidders may be present or be represented at all openings. After DOIT makes the award, Bids are subject to public inspection by appointment during DOIT's normal business hours. DOIT will not prepare, discuss or communicate summaries of Bids in any way.

11. Right to Cancel or Amend. DOIT may amend an Invitation to Bid at any time prior to the date and time of Bid opening. DOIT may cancel an Invitation to Bid at any time prior to the date and time of Contract award. Such cancellation shall not be deemed to be a breach of contract by DOIT.

12. Samples. If the Invitation to Bid requires that Bidders submit samples of Systems, the samples must meet at a minimum all Specifications. Bidders must submit samples when required and strictly in accordance with instructions, or DOIT may reject the Bid. If DOIT accepts a sample that does not meet the Specifications, this does not indicate or mean that DOIT has lowered or modified the Specifications. However, if any Bid sample is superior in quality to the Specifications, all deliveries shall have the same identity and quality as the Bid sample. If DOIT requests samples subsequent to the opening of Bids, the Bidder shall deliver them as specified in the Bid, free of any charges or fees and be accompanied by a descriptive memorandum indicating the Bidder desires for their return. The State shall return any samples in accordance with such memorandum, provided that they have not been used or made

useless by testing. The State may hold samples for comparison with deliveries.

13. Rejected Items: Abandonment. If DOIT notifies Bidders that they must retrieve samples, or any other Systems, goods or equipment (collectively, the "Rejected Items") belonging to the Bidder, wherever located, the Bidder must do so within forty-eight (48) hours after notification unless public health and safety require immediate destruction or other disposal of the Rejected Items. The Bidder agrees and acknowledges that its failure to retrieve and remove from any State premises the Rejected Items within such time shall be deemed to be an abandonment of the Rejected Items and, without more required of any party, shall vest authority in DOIT or any Agency to use or dispose of the Rejected Items as if they were the State's own property, as they deem it to be appropriate and in accordance with the law without incurring any liability or obligation to the Bidder or any other party. To the extent that DOIT and/or any Agency incurs any costs or expenses in connection with the Rejected Items, including, but not limited to, disposing of the Rejected Items, the Bidder shall reimburse the appropriate State entity no later than thirty (30) days after the date of invoice for such costs and expenses. All samples will be set up at DOIT unless DOIT indicates another location.

14. Award Criteria. DOIT shall award Contracts to the Lowest Responsible Qualified Bidder, in accordance with the factors set forth in 4a-59 of the Connecticut General Statutes, in the corresponding regulations and in the Invitation to Bid. Past performance, financial responsibility, the quality of the Systems to be supplied, their conformity with Specifications, their suitability to the requirements of the State, the delivery terms and administrative costs to the State shall always be factors in making contract awards.

15. Right to Manage Award. DOIT may award by System item, or part thereof, groups of Systems, or all Systems in the Invitation to Bid; reject any and all Bids in whole or in part; waive or correct minor irregularities and omissions if, in DOIT's judgment, the best interest of the State will be served; or correct inaccurate awards, as it deems to be appropriate, resulting from clerical or administrative errors. If in the case of an irregularity, omission or mistake, the intended correct Bid is clearly evident on the face of the Bid, the Bidder shall be given an opportunity to correct the Bid to reflect the correct intent. Examples of mistakes that are clearly evident on the face of the Bid include but are not limited to, typographical errors, errors in extending unit prices, transposition errors, and arithmetical errors.

16. Effective Date. The Contract shall be deemed to exist and be effective from the time that the Bidder accepts DOIT's Contract award notice to the Bidder. Bidder acceptance shall occur the earlier of the date of Bidder's written acceptance to DOIT in response to the Contract award notice or, absent such written acceptance, ten (10) days from the date of the Contract award notice. If any Bidder refuses or fails to accept DOIT's Contract award within ten (10) days from the date of the Contract award notice, DOIT may award the Contract to the next Lowest Responsible Qualified Bidder, and so on until the Contract is awarded and accepted. Refusal to accept a Contract after the ten (10) day period shall be deemed to be a breach of Contract and the Contractor shall be subject to the section in these terms and conditions concerning Open Market Purchases.

17. Bidder Obligations Concerning the Bid. A Bidder, if requested, must present evidence of experience, ability, service facilities, factory authorization and financial standing necessary to meet satisfactorily the requirements set forth or implied in the Invitation to Bid.

18. Discounts. Bidders may offer a discount for prompt payment, but such discount will not be taken into consideration in determining lowest price, except in the case of a price tie.

19. Rejection of Bids for Malfeasance. DOIT may, in its sole discretion, reject the Bid of any Bidder if at the time of Bid submittal the Bidder or Bidder Parties is in breach of any of the applicable representations and warranties listed in the Representations and Warranties section of these Terms and Conditions.

20. Order and Delivery. The Contract shall bind the Bidder to furnish and deliver the Systems and/or services at the prices set forth in the Bid and in accordance with the Invitation to Bid, including these Terms and Conditions. Subject to the sections in these terms and conditions concerning Force Majeure, Termination, Cancellation and Expiration and Open Market Purchases, the Contract shall bind the State to order the Systems and any associated services from the Contractor, and to pay for the accepted Systems and any associated services at the Contract prices. The State may order and the Contractor shall deliver accordingly up to ten

(10) percent more or less than the quantity listed in the Invitation to Bid. Subject to Contractor acceptance, Agencies not originally or specifically mentioned in the Invitation to Bid may purchase Systems and associated services from the Contractor. Agencies mentioned in the Invitation to Bid may transfer Systems and any associated services that they would have ordered to one or more other Agencies and the Contractor shall perform accordingly, subject to an adjustment in transportation costs, if applicable, resulting from any possible change in delivery sites. Provided further that such transportation costs are based on separately determined delivery costs to individual Agencies.

21. Contract Amendments. No alterations or variations of the Contract shall be valid or binding upon the State unless made in writing and signed by both parties.

22. Term. Contracts will remain in force for the full period specified in the Invitation to Bid or until;

Terminated or Cancelled in accordance with these Terms and Conditions;

or

Extended in accordance with section 4a-59a of the Connecticut General Statutes, upon written authorization of the CIO and acceptance by the contractor, to permit ordering of unordered balances or additional quantities at the contract price and in accordance with the contract terms.

Expired.

23. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of DOIT. DOIT may void any purported assignment in violation of this section and to declare the Contractor in breach of Contract. If the Contractor assigns its rights or obligations under the Contract without the consent of DOIT, DOIT may Cancel the Contract in accordance with the Termination, Cancellation and Expiration section of these Terms and Conditions, effective as of the assignment's occurrence or such other time as DOIT specifies in the Cancellation notice. Any Cancellation is without prejudice to DOIT's rights or possible Claims.

24. Termination, Cancellation and Expiration.

(a) Notwithstanding any provisions in the Invitation to Bid, including these Terms and Conditions, DOIT's Chief Information Officer ("CIO"), or the CIO's designee, may Terminate or Cancel the Contract whenever the CIO makes a written determination that such Termination or Cancellation is in the best interests of the State. DOIT shall notify the Contractor in writing of Termination or Cancellation pursuant to this section, which notice shall specify the effective date of Termination or Cancellation and the extent to which the Contractor must complete performance under the Contract prior to such date.

(b) The CIO shall send the notice of Termination or Cancellation via registered mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the State for purposes of correspondence, or by hand delivery. Upon receiving such notice from the State, the Contractor shall immediately discontinue all services and take all actions affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the State all Records. The Records are deemed to be the property of the State and the Contractor shall deliver them to DOIT no later than thirty (30) days after the Termination, Cancellation or Expiration of the Contract or fifteen (15) days after the Contractor receives a written request from the State for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCEE or .TXT.

(c) Upon receipt of a written notice of Termination or Cancellation from the State, the Contractor shall cease operations as directed by the State in the notice, and take all actions that are necessary or appropriate, or that the State may reasonably direct, for the protection and preservation of the Systems, Systems Properties and any other property. Except for any work which DOIT directs the Bidder to perform in the notice prior to the effective date of Termination or Cancellation, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

(d) In the case of any Termination or Cancellation, the State shall, within forty-five (45) days of the effective date of Termination or Cancellation, reimburse the Contractor for its performance rendered

and accepted by the State in accordance with the compensation provisions of the Contract, in addition to all actual and reasonable costs incurred after Termination or Cancellation in completing those portions of the performance which the Contractor was required to complete by the notice. However, the Contractor is not entitled to receive and the State is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the State, the Contractor shall assign to the State, or any replacement contractor which the State designates, all subcontracts, purchase orders and other commitments, deliver to the State all Records and other information pertaining to its performance, and remove from State premises, whether leased or owned, all such equipment, waste material and rubbish related to its performance as the State may request.

(e) For breach or violation of any of the provisions in the section of these Terms and Conditions concerning Representations and Warranties, the State may Cancel the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

(f) Upon Termination, Cancellation or Expiration of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination, Cancellation or Expiration of the Contract. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination, Cancellation or Expiration to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.

(g) Termination or Cancellation of the Contract pursuant to this section shall not be deemed to be a breach of contract by the State.

25. Breach. If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice, or such other time as provided in the notice, the Invitation to Bid or these Terms and Conditions, whichever is latest. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract cancellation date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may Cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice. If the State believes that the Contractor has not performed according to the Contract, the State may withhold payment in whole or in part pending resolution of the performance issue, provided that DOIT notifies the Contractor in writing prior to the date that the payment would have been due in accordance with the Payment section of these Terms and Conditions. For notice purposes, a lesser payment period shall not apply. If a cash discount for prompt payment is invoiced, the withholding of payments as provided for in this section shall not deprive the State of the right to take such cash discount.

26. Waiver.

(a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.

(b) A party's failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or breach.

27. Open Market Purchases. Except to the extent that the Contractor is performing within a right to cure period, failure of the Contractor to perform within the time specified in the Contract, or failure to replace rejected or substandard Systems or fulfill unperformed services when so requested and as the Contract provides or allows, constitutes a breach of the Contract and as a remedy for such breach, such failure shall constitute authority for DOIT, if it deems it to be necessary or appropriate in its sole

discretion, to Cancel the Contract and/or to purchase on the open market, Systems and associated services to replace those which have been rejected, not delivered, or not performed. The State shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Contractor's Bid and the Contractor shall pay the State's invoice immediately after receiving the invoice. If DOIT does not Cancel the Contract, the State will deduct such open market purchases from the Contract quantities. However, if the CIO deems it to be in the best interest of the State, DOIT may accept and use the Systems delivered which are substandard in quality, subject to an adjustment in price to be determined by DOIT.

28. Purchase Orders. The Contract itself is not an authorization for the Contractor to ship any Systems or to begin performing in any way. The Contractor may begin performing only after it has received a duly issued purchase order against the Contract for performance. The Agency using the Contract will issue a purchase order against the Contract directly to the Contractor. All purchase orders must be in writing, bear the Contract number and comply with all other State requirements, particularly the Agency's requirements concerning procurement. A Contractor making delivery without a formal written purchase order does so at his own risk.

29. Nonresponsibility. If (a) a Bidder fails to accept a Contract within ten (10) days, as specified in the Effective Date section of these terms and conditions; (b) a Contractor suffers an unexcused material breach of the Contract and fails to cure that breach in accordance with the procedures set forth in the Breach section of these terms and conditions; or (c) a Contractor fails to reimburse the State for open market purchases as set forth in the Open Market Purchases section of these terms and conditions, then DOIT will take that into consideration in future Invitations to Bid when evaluating the Bidder's responsibility. The consideration of this factor may lead to a "not responsible" finding against the Bidder and make a Bidder ineligible to receive one or more future contract awards.

30. Indemnification.

The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or Contractor Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the State and without charge to the State in carrying out its obligations under this section. The Contractor's obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance of the Contract.

The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any Contractor Parties. The State shall give the Contractor reasonable notice of any such Claims.

The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.

The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this section. The Contractor shall name the State as an additional insured on the policy.

The rights provided in this section for the benefit of the State shall encompass the recovery of attorneys' and other professionals' fees expended in pursuing a Claim against a third party.

This section shall survive the Termination, Cancellation or Expiration of the Contract, and shall not be limited by reason of any insurance coverage.

31. Forum and Choice of Law. The Contract shall be deemed to have been made in the City of Hartford, State of Connecticut. Both Parties agree that it is fair and reasonable for the validity and construction of the

Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

32. Contractor Guaranties. Contractor shall:

- a. Perform fully under the Contract, the Invitation to Bid and the Bid in accordance with their terms.
- b. Guarantee the Systems and, as applicable, Systems Properties, against defective material or workmanship and to repair any damage or marring occasioned in transit or, at the State's option, replace them;
- c. Furnish adequate protection from damage for all work and to repair damage of any kind, for which its workers are responsible, to the premises, equipment Systems or System Properties, to the Contractor's work or that of Contractor Parties;
- d. With respect to the provision of services, pay for all permits, licenses and fees and give all required or appropriate notices;
- e. adhere to all contractual provisions ensuring the confidentiality of Records that the Contractor has access to and are exempt from disclosure under the State's Freedom of Information Act or other applicable law; and
- f. Neither disclaim, exclude nor modify the implied warranties of fitness for a particular purpose or of merchantability.

The contractual provisions concerning the confidentiality provisions guarantee in this section shall include civil sanctions for the unauthorized disclosure of the Records. The Contractor and Contractor Parties shall be treated as State employees with respect to any civil or criminal statutes providing for civil or criminal sanctions for unauthorized disclosures.

33. Systems' Standards and Appurtenances. Any Systems delivered must be standard new Systems, latest model, except as otherwise specifically stated in the Invitation to Bid. Where the Invitation to Bid or Bid do not specifically list or describe any part or nominal appurtenances of equipment for the Systems, it shall be understood that the Contractor shall deliver such equipment and appurtenances as are usually provided with the manufacturer's stock model.

34. Delivery.

- (a) Any Systems delivered shall be standard new equipment, latest model, except as otherwise stated in the Invitation to Bid. Remanufactured, refurbished or reconditioned equipment may be accepted but only to the extent allowed under the Invitation to Bid. Where any part or nominal appurtenances of equipment are not described, it shall be understood that all equipment and appurtenances, which are usually provided in the manufacturer's stock model, shall be furnished.
- (b) Delivery shall be made as ordered and in accordance with the Invitation to Bid. Unless otherwise specified in the Invitation to Bid, delivery shall be to a loading dock or receiving platform. The Contractor or Contractor's shipping designee shall be responsible for removal of Systems from the carrier and placement on the agency loading dock or receiving platform. State receiving personnel are not required to assist in this process. The decision of the CIO as to reasonable compliance with delivery terms shall be final and binding. The burden of proof of proper receipt of the order shall rest with the Contractor.
- (c) In order for the time of delivery to be extended, DOIT must first approve a request for extension from the time specified in the Contract, such extension applying only to the particular item or shipment.
- (d) Systems shall be securely and properly packed for shipment, according to accepted standard commercial practice, without extra charge for packing cases, baling or sacks. The containers shall remain the property of the State unless otherwise stated in the Bid.

(e) All risk of loss and damage to the Systems and Systems Properties transfers to the State upon Title vesting in the State.

35. System Inspection. DOIT shall determine the manner and prescribe the inspection of all Systems and the tests of all samples submitted to determine whether they comply with all of the Specifications in the Invitation to Bid. If any System fails in any way to meet the Specifications in the Invitation to Bid, DOIT may, in its sole discretion, either reject it and owe nothing or accept it and pay for it on an adjusted price basis, depending on the degree to which the System meets the Specifications. Any decision pertaining to any such failure or rejection shall be final and binding.

36. Payment. Payment shall be made only after the Agency receives the Systems or services and after acceptance of the Systems or services and presentation of a properly completed invoice. Unless otherwise specified in the Invitation to Bid, payment for all accepted Systems and/or associated services shall be due within forty-five (45) days after acceptance of the Systems or services. Bids that require payment in less than forty-five (45) days shall be rejected, unless DOIT determines in its sole discretion that the Bid's requiring a lesser period is not material.

37. Invoicing. The Contractor shall send all invoices directly to the Agency at the address indicated on the purchase order and shall make all inquiries regarding the status of unpaid invoices also only to such ordering Agency.

38. Force Majeure. The State and the Contractor shall not be excused from their duty to perform in accordance with the Contract except in the case of Force Majeure events and as otherwise provided for in the Contract. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance.

39. Advertising. The Contractor shall not refer to sales to the State for advertising or promotional purposes without DOIT's prior written approval.

40. American with Disabilities Act. The Contractor shall be and remain in compliance with the Americans with Disabilities Act of 1990 ("Act"), to the extent applicable, during the term of the Contract. The State may Cancel the Contract if the Contractor fails to comply with the Act.

41. Representations and Warranties. The Contractor, and the Bidder, as appropriate, represent and warrant to the State for itself and Contractor Parties and Bidder Parties, as appropriate, that:

- (a) if they are entities, they are duly and validly existing under the laws of its state of organization and authorized to conduct business in the State of Connecticut in the manner contemplated by the Contract. Further, as appropriate, they have taken all necessary action to authorize the execution, delivery and performance of the Bid and the Contract and have the power and authority to execute, deliver and perform their obligations under the Contract;
- (b) they will comply with all applicable State and Federal laws and municipal ordinances in satisfying their obligations to the State under and pursuant to the Contract, including, but not limited to (1) Connecticut General Statutes Title 1, Chapter 10, concerning the State's Codes of Ethics and (2) Titles 4a and 4d concerning State purchasing, including, but not limited to Sections 4a-60 and 4a-60a, concerning nondiscrimination, 22a-194a concerning the use of polystyrene foam, 4d-32 concerning subcontracts, 4d-34 concerning ownership rights and integrity of public records, 4d-35 concerning applicability of the Connecticut Freedom of Information Act, 4d-36 concerning nondisclosure of public records, 4d-37 concerning prohibition on selling, marketing or profiting from public records and 4d-38 concerning notice to DOIT for violation of certain laws.
- (c) the execution, delivery and performance of the Contract will not violate, be in conflict with, result in a breach of or constitute (with or without due notice and/or lapse of time) a default under any of the following, as applicable: (1) any provision of law; (2) any order of any court or any Agencies; or (3) any indenture, agreement, document or other instrument to which it is a party or by which it may be bound;
- (d) they are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal or state department or agency;
- (e) as applicable, they have not, within the three years preceding the Contract, in any of their current or former jobs, been convicted of, or had a civil judgment rendered against them or against any person who would perform under the Contract, for commission of fraud or a

criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state or local) transaction or contract. This includes, but is not limited to, violation of Federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

- (f) they are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, state or local) with commission of any of the offenses listed above;
- (g) they have not within the three years preceding the Contract had one or more public transactions (Federal, state or local) cancelled for cause or breach;

"Good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements.

(f) The contractor shall include the provisions of section A above in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the state and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the commission. The contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

(g) The following subsections are set forth here as required by section 4a-60a of the Connecticut General Statutes:

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the state of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said commission pursuant to section 46a-56; (4) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor which relate to the provisions of this section and section 46a-56.

(h) The contractor shall include the provisions of section G above in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the state and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the commission. The contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

48. Whistleblowing. The Contract is subject to the provisions of §4-61dd of the Connecticut General Statutes. In accordance with this section any person having knowledge of any matter involving corruption, violation of state or federal laws or regulations, gross waste of funds, abuse of authority or danger to the public safety occurring in any large

state contract, may transmit all facts and information in his possession concerning such matter to the Auditors of Public Accounts. In accordance with subsection (e) if an officer, employee or appointing authority of a large state contractor takes or threatens to take any personnel action against any employee of the contractor in retaliation for such employee's disclosure of information to the Auditors of Public Accounts or the Attorney General under the provisions of this section, the contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of the contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The executive head of the state or quasi- public agency may request the Attorney General to bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) each large state contractor shall post a notice of the provisions of this section relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the contractor.

49. Headings. The headings given to the Sections in these Terms and Conditions are inserted only for convenience and are in no way to be construed as part of the Contract or as a limitation of the scope of the particular Section to which the heading refers.

50. Number and Gender. Whenever the context so requires, the plural or singular shall include each other and the use of any gender shall include all genders.

51. Parties. To the extent that any Contractor Party or Bidder Party is to participate or perform in any way, directly or indirectly in connection with the Bid or the Contract, any reference in the Invitation to Bid, the Bid and the Contract to "Contractor" or "Bidder" shall also be deemed to include "Contractor Parties" or "Bidder Parties," respectively, as if such reference had originally specifically included "Contractor Parties" or "Bidder Parties," since it is the parties' intent for the terms "Contractor Parties" and "Bidder Parties" to be vested with the same rights and obligations as the terms "Contractor" and "Bidder."

52. Contractor Changes. The Contractor shall notify DOIT in writing of any change in its certificate of incorporation, a change in more than a controlling interest in the ownership of the Contractor or a change in the individual(s) in charge of the performance to be completed under the Contract. This change shall not relieve the Contractor of any responsibility for the accuracy and completeness of the performance. DOIT, after receiving written notice by the Contractor of any such change, may require such agreements, releases and other instruments evidencing, to DOIT's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that provision has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to DOIT in accordance with the terms of DOIT's written request. DOIT may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until it is fully performed.

53. Further Assurances. The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provision of the Contract and which do not involve the assumption of obligations other than those provided for in the Contract, in order to give full effect to the Contract and to carry out the intent of the Contract.

54. Audit and Inspection of Records. The Contractor shall make all of its and the Contractor Parties' Records available at all reasonable hours for audit and inspection by DOIT and any Agency, including, but not limited to, the Connecticut Auditors of Public Accounts, Attorney General and State's Attorney and their respective agents. Requests for any audit or inspection shall be in writing, at least ten (10) days prior to the requested date. All audits and inspections shall be at the State's expense. The State may request an audit or inspection at any time during the Contract term and for three (3) years from Termination, Cancellation or Expiration of the Contract. The Contractor shall cooperate fully with the State and its agents in connection with an audit or inspection. Following

any audit or inspection, the State may conduct and the Contractor shall cooperate with an exit conference.

55. Background Checks. The Contractor and Contractor Parties shall be subject to criminal background checks as provided for in the State of Connecticut Department of Public Safety Administration and Operations Manual.

56. Continued Performance. The Contractor and Contractor Parties shall continue to perform their obligations under the Contract while any dispute concerning the Contract is being resolved.

57. Working and Labor Synergies. The Contractor shall be responsible for maintaining a tranquil working relationship between the Contractor work force, the Contractor Parties and their work force, State employees, and any other contractors present at the work site. The contractor shall quickly resolve all labor disputes which result from the Contractor's or Contractor Parties' presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under the Contract.

58. Contractor Responsibility.

The Contractor shall be required to assume responsibility for the entire performance under the Contract regardless of whether the Contractor itself performs. The Contractor shall be the sole point of contact concerning the management of the Contract, including performance and payment issues. The Contractor is solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of the Contract.

The Contractor shall exercise all reasonable care to avoid damage to the State's property or to property being made ready for the State's use, and to all property adjacent to any work site. The Contractor shall promptly report any damage, regardless of cause, to the State.

59. Severability. If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those as to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.

60. Most Favored Nation. The terms of all Systems and services in the Contract are equivalent to or better than those for comparable Contractor offerings to any other state or local government under like terms and conditions. If during the term of the Contract the Contractor provides more favorable terms for said offerings to another such state or local government, the Contract shall be deemed to be amended, automatically and without any act required of any party, to provide the same terms to the State.

61. Confidential Information. DOIT will afford due regard to the Bidder's and Contractor's request for the protection of proprietary or confidential information which DOIT receives. However, all materials associated with the Bid and the Contract are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the Bidder or Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the vendor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Bidder or Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Bid and the Specifications, conflicts or is in any way inconsistent with this Section, this Section controls and shall apply.

62. Interpretation. The Contract contains numerous references to statutes and regulations. For purposes of interpretation, conflict resolution and otherwise, the content of those statutes and regulations shall govern

over the content of the reference in the Contract to those statutes and regulations.

63. Cross-Default.

If the Contractor or Contractor Parties breach, default or in any way fail to perform satisfactorily under the Contract, then the State may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under any or all other agreements or arrangements ("Other Agreements") that the Contractor or Contractor Parties have with the State. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.

If the Contractor or Contractor Parties breach, default or in any way fail to perform satisfactorily under any or all other agreements or arrangements ("Other Agreements") that the Contractor or Contractor Parties have with the State, then the State may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under the Contract. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Contract.

64. Disclosure of Records. The Contract may be subject to the provisions of §1-218 of the Connecticut General Statutes. In accordance with this section, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (1) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (2) indicate that such records and files are subject to the Freedom of Information Act and may be disclosed by the public agency pursuant to the Freedom of Information Act. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with the Freedom of Information Act. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes..

65. Notice of Consulting Affidavit. Section 4a-81 of Connecticut Statutes requires that this solicitation include a notice of the consulting affidavit requirements described in the Statute. Accordingly, pursuant to the Statute, vendors are notified as follows:

No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains the written affidavit described in subsection (b) of this section.

(1) The chief official of the vendor awarded a contract described in subsection (a) of this section or the individual awarded such contract who is authorized to execute such contract, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information or (C) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted. (2) Such affidavit shall be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit and shall be subject to the

penalties of false statement. (3) Such affidavit shall include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated. (4) Such affidavit shall be amended whenever the vendor awarded the contract enters into any new consulting agreement during the term of the contract.

If a vendor refuses to submit the affidavit required under subsection (b) of this section, then the state agency shall not award the Contract to such vendor and shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

This section is set forth here only for purposes of providing notice of the requirements of the Act. Accordingly, it is neither intended nor should it be interpreted nor relied upon to be a complete and full reiteration of the Act's contents. Any interpretation or understanding of the Act's requirements or content by any party must come only from reading the full text of the Act itself.

66. Summary of State Ethics Laws. Pursuant to the requirements of Section 1-101qq of Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is incorporated by reference into and made a part of the Contract as if the summary had been fully set forth in the Contract.

67. Sovereign Immunity. The parties acknowledge and agree that nothing in the Invitation to Bid or the Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Contract. To the extent that this section conflicts with any other section, this section shall govern.

68. Time is of the Essence. Time is of the essence of this contract. If either party shall fail to perform their respective obligations under the Contract at the time fixed for the performance of such respective obligations, the other party may Cancel the Contract in accordance with its terms.

69. Continuity of Systems. This Section is intended to comply with Conn. Gen. Stat. §4d-44.

The Contractor acknowledges that the Systems and associated services are important to the function of State government and that they must continue without interruption. Pursuant to Conn. Gen. Stat. §4d-44, if the work under the Contract, any subcontract, or amendment to either, is transferred back to the State or to another contractor at any time for any reason, then the Contractor shall cooperate fully with the State, and do and perform all acts and things that DOIT deems to be necessary or appropriate, to ensure continuity of state agency information system and telecommunication system facilities, equipment and services so that there is no disruption or interruption in performance as required or permitted in the Contract. The Contractor shall not enter into any subcontract for any part of the performance under the Contract without approval of such subcontract by DOIT, as required by Conn. Gen. Stat. §4d-32, and without such subcontract including a provision that obligates the subcontractor to comply fully with Conn. Gen. Stat. §4d-44 as if the subcontractor were in fact the Contractor. The Contractor shall make a full and complete disclosure of and delivery to DOIT or its representatives of all Records and "Public Records," as that term is defined in Conn. Gen. Stat. §4d-33, as it may be amended, in whatever form they exist or are stored and maintained and wherever located, directly or indirectly concerning the Contract.

The parties shall follow the following applicable and respective procedures in order to ensure the orderly transfer to the State of:
