If at any time, any of the policies shall be or become unsatisfactory to the University as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the University, the Awardee shall promptly obtain a new and satisfactory policy in replacement upon such written notice from the University.

7.15 **Promotion**

7.23 Mandatory Affidavits:

Jodi Rell’s Executive Order No. 1, para 8, Large State Contracts between the State of Connecticut and private entities are required to be accompanied by an Agency Certification and the appropriate Gift/Campaign Contribution Affidavits. Stat. §§4-250 and 251 for all procurements with a value of $50,000 or more in a calendar or fiscal year.

In addition, Section 51 of Public Act 05-287 requires that state agencies obtain Consulting Affidavits from contractors with whom the agencies contract for the purchase of goods and services, which contract has a total value of $50,000 or more in any calendar or fiscal year. Section 37 of Public Act 05-287 also requires that for Large State Construction or Procurement Contracts state agencies provide contractors with a summary of State ethics laws developed by the State Ethics Commission. Such contractor must provide affirmations regarding the receipt and compliance of said summary for itself and its subcontractors and consultants, if any.

Therefore, all state contracts that meet the requirements provided in the aforementioned decrees shall be accompanied by all appropriate affidavits, certification and affirmations. These mandatory affidavits can be found at: http://www.opm.state.ct.us/policies.htm#Office Secretary, scrolling to the Section entitled “Office of the Secretary”. The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidders good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

INSTRUCTIONS TO BIDDERS

1. All bids must be submitted on and in accordance with this form. If more space is required to furnish a description of the commodities and/or services offered or delivery terms, the bidder may attach a letter hereto which will be made part of the bid.

2. Bids and amendments thereto, or withdrawal of bids submitted, if received by the University after the date and time specified for the bid opening, will not be considered.

3. Prices should be stated in units of quantity specified, with packing and delivery to destination included.

4. The time of proposed delivery must be stated in definite terms. If time of delivery for different commodities varies, the bidder shall so state.

5. Samples, when requested, must be furnished free of expense and if not destroyed, will, upon request, be returned at the bidder’s risk and expense.

6. Bids must show unit price, amount and grand total or bid may be rejected.

7. Unless qualified by the provision “NO SUBSTITUTE” the use of the name of a manufacturer, brand, make or catalog designation in specifying an item does not restrict bidders to the manufacturer, brand, make or catalog designation identification. This is used simply to indicate the character, quality and/or performance equivalence of the commodity desired, but the commodity on which proposals are submitted must be of the same character, quality and/or performance equivalence that it will serve the purpose for which it is to be used equally as well as that specified. In submitting a proposal on a commodity other than as specified, bidder shall furnish complete data and identification with respect to the alternate commodity he proposes to furnish. Consideration will be given to proposals submitted on alternate commodities to the extent that such action is deemed to serve best the interests of the State. If the bidder does not indicate that the commodity he proposes to furnish is other than specified, it will be construed to mean that the bidder proposes to furnish the exact commodity described.

8. In the event that you are unable to submit a proposal against this bid, we will appreciate your advising this office to that effect. Failure to submit proposals against three consecutive bids will result in you name being removed from the mailing list, unless a specific request is made in writing for the retention of your name on said list.

9. The contractor agrees and warrants that in the performance of this contract he will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religion, national origin, sex, age, physical disability, including but not limited to blindness, or learning disability, unless it is shown by such contractor that such disability prevents performance of the work involved in any manner prohibited by the laws of the United States or of the State of Connecticut, and further agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission concerning the employment practices and procedures of the contractor as related to the provisions of this contract.

10. The University of Connecticut is an equal opportunity employer.
AWARD AND CONTRACT

1. The University reserves the right to award by item, groups of items or total bid; to reject any and all bids in whole or in part, and to waive any informality or technical defects if, in its judgment, the best interests of the University will be served.

2. Cash discounts may be offered by bidder for prompt payment of bills, but such discount will not be taken into consideration in determining the low bidder but will be taken into consideration in awarding tie bids. The discount period will be computed from the date delivery is accepted at destination or from date correct invoice is received by the consignee, whichever is the later date.

3. ACCEPTANCE OF A BID BY THE UNIVERSITY IS NOT AN ORDER TO SHIP.

4. Each bid is received with the understanding that the acceptance in writing by the University of the offer to furnish any or all of the commodities and/or services described therein, shall constitute a contract between the bidder and the University, which shall bind the bidder on his part to furnish and deliver the articles quoted on at the prices stated and in accordance with the conditions of said accepted bid; and the University on its part to order from such contractor, except for causes beyond reasonable control; and to pay for, at the agreed prices, all articles specified and delivered.

5. In event of default by the contractor, the University reserves the right to procure the commodities and/or services from other sources, and hold the contractor liable for any excess cost occasioned thereby. If, however, public necessity requires use of material or supplies not conforming to the specifications, they may be accepted and payment therefore shall be made at a proper reduction in price.

6. The contractor guarantees to save the University, its agents or employees, harmless from liability of any nature or kind, for use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, of which the contractor is not the patentee, assignee or licensee.

7. It is understood and agreed that the contractor shall not be held liable for any failure or delays in the fulfillment of his contract arising from strikes, fires, or acts of God, or any other cause or causes beyond his reasonable control.

8. In the event there is a need for material bonding, performance bonding and/or insurance, the bidder will provide the bonding and/or insurance when requested and do this within fifteen (15) days after receipt of our notification of apparent low bidder, otherwise, the University reserves the right to go to the next qualified bidder who can comply.

Campaign Contribution and Solicitation Ban
No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

Duty to Inform
State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations
Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of $2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or $5000 in fines, or both.

Contract Consequences
Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
